MANAGER'S CORNER

Hello Members!!

Happy Holidays everyone!! Yes, it is that time of year already. And with that comes a lot of Holiday activities at the Club. Let's go back and recap what happened in November here at the club. Veteran's Day was, and will always be, a very special day on Post 21. The Beef Stew that Patty and the ladies from the auxiliary prepared was incredible. The comradery and the RRVVCB put on one heck of a performance, and they continue to outdo themselves year after year. What a great bunch of musicians and people!! Love having them here. We had the privilege to serve our Moorhead Spuds Football Team breakfast before they headed down to the US Bank Stadium to play for the state championship. What a great bunch of young men! Although they came up a little short, they have every right to stand proud. Good job Spuds on a fantastic season. We get to see them here at our Post 21 on December 7th for their football awards banquet. On Sunday the 23rd we had a breakfast fundraiser for the land expansion. We raised just over \$1800.00 toward that project. Thank You all who came out and supported us. If you couldn't make it, you are in luck. We are having another breakfast on January 11th.

For the next 5 or 6 weeks your Post 21 will all be decked out for Christmas. We added a bunch of new decorations this year. So, when you come down to the Club, be prepared for a very Christmas-like atmosphere!! On the calendar we have 4 Christmas parties on the docket. As for live entertainment, we have the "60's Guys" on the 17th, the Front Fenders on the 20th and Rick Adams on the 31st to close out the year! Lots of stuff going on!! Don't miss out. Make sure to pay attention to the flyers in this newsletter. That is where you can find all the details for our events. As always, especially this Holiday Season, remember to keep our troops and our veterans in all our prayers. Wishing you a Happy Holiday from Post 21. May God Bless You and May God Bless America!!

Scott B. Moen, Manager

Merry Christmas

COMMANDERS CORNER

Greetings and Merry Christmas!

We have sure been busy at the Post and we have a lot going on for the month of December. We just finished our first expansion fundraiser! What a fun time it was and a good breakfast. Please be watching for more! I believe our next one will be in January!

We had the pleasure last month to host the Moorhead Spuds Football team for breakfast before their trek to the Cities for the championship game. Even though the turnout of the game wasn't what we wanted, they sure played their hearts out, and it warmed ours to be giving back to the community.

The month of December we will be hosting many Christmas parties, along with a fun one we will be having on the night of December 20th. The Front Fenders will be playing, and the Riders will be making their famous pizza's with the proceeds going to the land! So, wear your ugly sweater and come on out for a night of dancing.

While celebrating the season, do not forget the Children's Christmas party will be held at the Midtown Tavern this year with the VFW hosting. Bring your kiddo's out from 2-6.

As we are enjoying holiday season, please keep in mind that a lot of people are missing loved ones, struggling with making ends meet, and sadness. Kindness does not cost anything, wish people a Merry Christmas, let people slide into your lane on the interstate, and remember, struggles are not always visible.

Don't forget to thank and tip our bartenders and waitresses!

Merry Christmas!

Susie Schroeder/Commander

President's Corner

December Greetings!

With the holidays on the way we are looking forward to some fun Auxiliary events. At this time of year, it is always our goal to help others and of course our Veterans and their families. At our November meeting our members were busy stuffing! Not turkeys but neck pillows for the VA Hospital!! The material and stuffing was donated by Diane Pickett, one of our Auxiliary members and the pillows were sewn by Jolinda Michels. Before our meeting our members stuffed the neck pillows. The pillows will be taken to the VA and given to patients in need of comfort. Thank you to all that helped with that project!

It was great to see so many members and new members at that meeting. 30 Auxiliary members were at our November meeting! That was fantastic and we hope to continue increasing our membership in the following months. Annika Johnson our Girls State participant from Park Christian School spoke about her experience going to Girls State. It sounded like it was a wonderful experience for her.

We voted to increase the membership dues next July for the year 2027 from \$35.00 to \$40.00 per year. This will give us some extra funds to use for helping Veterans. Here is a breakdown of the dues for 2025-2026. \$18.00 goes to the National organization and \$12.00 goes to Minnesota. The \$12.00 will increase to \$18.00 in 2027 with increases in the following areas but we don't have the breakdown yet:

American Legion Family Hospital Association- \$0.25

Department National Leadership Fund- \$0.20

Department Junior Conference Fund- \$0.10

Auxiliary program support and Department staff expenses-\$11.45

With your dues you get a paid subscription to the American Legion Auxiliary magazine and a paid subscription to the Legionnaire. I hope this isn't too confusing!!!

The 2025-2026 American Legion Department of Minnesota President's project is the Honor Flight. There are 6 hubs that support Minnesota counties and the Lone Eagle program that serves Veterans not served by a hub. President Robin Dorf hopes to raise \$35,000 to split evenly between the 7 hubs giving each hub \$5,000!! If her goal is reached that means our own hub of Honor Flight of ND/MN, of which many of our own members are involved in volunteering, will receive from her generous and thoughtful project to have our Veteran's go on a trip of a lifetime!

Coming up on December 1st we have our unit meeting. It will be a potluck and ugly sweater night!!! The meeting starts at 6:00 with an Executive meeting at 5:30. Bring a dish to share. It should be a fun night so make your calendars!! December 13th we are planning to go to the Fargo National Cemetery to lay wreaths on the graves with Wreaths Across America. More on that at our meeting. December 14th is the Veterans Family Christmas Party with the VFW Auxiliary it is from 2:00-6:00 with set up at 12:30 at Midtown Tavern. Karen will tell us more at our meeting. There is also a lot going on at our Post 21 so be sure to check the calendar and the banners that are hanging at the Post.

In a few weeks it will be a new year, and I am looking forward to our Unit 21 with all our new members combining with our long-time members to continue and increase our giving and helping of our Veteran's and their families.

Happy Holidays to you and your family. Enjoy time with them and your friends at this special time of year!

Barb Chamberlain, Unit 21 Auxiliary President

Auxiliary 21 members made neck pillows for the Veterans at the VA Hospital.

UNIT 21 AUXILIARY MEMBERSHIP

Wow – another great month for Auxiliary membership – 3 new members and 3 transfers!! Moorhead Unit 21 welcomes Trisha Friedt, Rene Stobakken, Jane Matejcek, Vicki Glander, Rose Knudtson and Crystal Teetz. Way to go – thanks ladies!

Although membership renewals and new applications have been coming in great and have so far helped us meet all of our state and national interim goals, we still need 40 renewals and/or new members to reach 100%. Current members, please check your membership cards. If you don't have your 2026 card yet, please consider renewing soon. With membership declining all over the country, Moorhead Unit 21 has done a terrific job. Thank you to all our new members (10 new and 3 transfers so far for 2026) and all those who have renewed. You make a difference.

Thanks to everyone who helped with and attended the Auxiliary's recent Craft-Vendor Show and Silent Auction. This is a fundraiser that allows us to continue all the things we do for our veterans, current troops, scholarships for high school seniors, Girls State, donation of items needed by students in our local schools who would otherwise go without (food, clothing, school supplies) and many other community service projects. Again, every member matters!

I want to wish everyone a Merry Christmas and a very happy holiday season.

Judy Carpenter, Membership Chairperson, 701-367-6173, jucarpenter@earthlink.net

It's hard to believe that Thanksgiving is almost here. Many of our bikes are tucked away, but we're still busier than ever.

Our second breakfast was a huge success as we raised over \$2,400 for American Heros Outdoors. We participated in multiple Veterans Day celebrations.

We helped send off the Moorhead Spuds football team to the championship game at US Bank stadium with a complimentary breakfast and we assisted in a breakfast for Legion land expansion project.

We've got lots going on in December as well. Kicking off with Our Famous Riders Breakfast.

We'll be helping place Christmas wreaths at the National Cemetery. We'll be ringing the bell for the Salvation Army. And much, much more.

So, stay tuned and let's all have a blessed and safe holiday.

Veterans Service Officer

The holiday season is a time of joy, but it can also bring stress, loneliness, or depression, especially for veterans who may be far from family or dealing with personal challenges. This month, take a moment to reach out to a fellow veteran, neighbor, or friend. Even a simple phone call, text, or visit can remind someone that they are not alone and that someone cares.

Being around people who care about you—whether it's friends, family, or members of your local veterans' community—can make a meaningful difference in mental and emotional well-being. Sharing a meal, chatting over coffee, or just listening can brighten someone's day more than you might realize.

If you or someone you know is struggling, please remember that help is available. You can reach out for immediate support through #988 or contact our offices if you or a veteran you know is experiencing food insecurity this holiday season. Together, we can make sure everyone has the support, companionship, and resources they need to get through the holidays safely and with dignity.

The poster for Luke's Wings features a background of warm, out-of-focus holiday lights and a portion of the American flag on the left. The text is arranged in a clear, readable layout. At the top, the organization's name 'Luke's WINGS' is displayed with a stylized wing logo. The main headline reads 'No Service Member Spends The Holidays Alone'. Below this, a paragraph explains the mission: 'From Veterans Day through New Year's, Luke's Wings is providing free flights for wounded, ill, and injured service members and Veterans—and their loved ones—so they don't have to spend the holidays apart.' A section titled 'Who's Eligible?' lists four criteria: being a wounded service member, facing a critical or chronic illness, receiving long-term medical care or rehabilitation, or being in hospice care. Another section, 'If Travel Isn't Possible -- We'll Bring Family to the Hero', states that the organization can help transport service members and veterans to be with their families. At the bottom, it encourages reaching out today and provides contact information: a QR code to scan, an email address 'flightrequest@lukeswings.org', a phone number '512.971.9818', and the website 'www.lukeswings.org/request-a-flight'.

The SAL burger crew was been busy in November. We hope you had lots to be thankful for.

We had honor of hosting the Glyndon Felton public school union for Burgers and we served about 50 members. We also hosted the Moorhead public school's union and served about 40 Burgers on that night. And that's on top of our wonderful regular customers that come in to see us. So, we've been busy on Monday night when we volunteer to do Burgers, Brats, Hotdogs and Chili. Come into the club and see us!

We would like to welcome our newest members Courtney Russ and Scott Michels.

We want to wish everybody a Merry Christmas and a Happy New Year.

Shooting Sports

The MN HIGH SCHOOL CLAY TARGET LEAGUE has completed the 2025 season. As usual, the fall season numbers were down. There were about 50 CO-ED youth shooters. The MN. State shoot is in the spring, so this is it for 2025. It is now time to thank all the great volunteers involved. The parents and Grandparents who get their youth into this shooting sport. We also should be proud that Post 21 helps make this possible with our financial support.

With the fall, and the start of school we now turn to another shooting sport. For the CO-ED high school sport, is now Archery is now the name of the game. Your Post 21 financially supports local archery. The one we have supported for years is Lake Agassiz Bowmen. At one time we supported their Archery Education Program. It was JOAD, (Junior Olympic Archery Development). We supported this for years. The Fargo School System has taken over the archery education programs. They, like Moorhead School, have now taken over archery education for CO-ED youth.

Both ND and MN schools now teach the NASP program nationwide. NASP means (NATIONAL ARCHERY SCHOOL PROGRAM) This program is CO-ED, Olympic style targets, no shooting sights at 20 yards. I will get more information about this program in the future.

Your Post 21 still supports the Lake Agassiz Bowmen archery club. As they no longer do the JOAD archery education, we now support them with a 3-D target for their annual archery shoot. That is for their CO-ED cub shooters. The Cub shooters are ages 5-10Yr olds. These cubs just start to shoot archery.

Till next month.
