MANAGER'S CORNER

Hello Members!!

Well, here it is — August already! July was a good month with some slow times, but that's to be expected with summer spent at the lakes. It happens every year, but we just keep pushing forward and making things happen for Post 21. As I write this, we've just finished our Summer Blast weekend. The music, food, and activities were fantastic! I want to thank everyone who helped make this event possible, from the volunteers to all the sponsors who contributed to our fundraising efforts for the Veterans Honor Flight. It was a successful weekend, and we are still adding up the totals to see what was raised. Right now, it looks like it was a very successful weekend! Thanks again to everyone who did their part. It couldn't have happened without everyone's help.

Regarding upcoming events at Post 21, I want to mention this one first since we just found out. We will be hosting the Budweiser Clydesdale Horses on September 7th from 2-4 pm. We are still finalizing some details, so more information will be shared soon. Don't forget about our annual Post 21 car show on August 9th from 10 am to 2 pm. Hopefully, we get a good turnout for this event. We will have live music in the parking lot by the Dixieland Band and burger baskets inside.

Wednesday Night Steak Night. If you haven't heard, we started using Alsagar Meats as our steak supplier a few weeks ago, and hats off to them! These steaks are tender and very delicious. We have received many compliments on their excellent quality. Thanks, Alsagar Meats! Come in and give it a try, you won't be disappointed.

I also want to take a moment to thank the outgoing Commander, Paul Leeman, for his outstanding leadership over the past few years. I know he won't be leaving us completely; he is a great asset to Post 21. Welcome to our new Commander, Susie Schroeder, our first-ever woman Commander here at Post 21. Given the short time she's been in command, I can tell you this is going to be an exciting journey.

Just a couple more things to mention about steak night. On the 13th, "The '60s Guys" will perform from 7-9 pm, and on the 20th, the RRVV Swing Band will also be here from 7-9 pm. Until next time, as we head into fall, remember to keep our troops and veterans in your prayers, as always. May God bless you, and may God bless America!!

Scott B. Moen, Manager

COMMANDERS CORNER

Greetings!

We are now in the middle of summer and need to make sure we take care of ourselves and our family. The weather is extremely warm, and hydration is the key! Be careful on the road. Keep an eye out for Motorcycle Riders, especially as some of the new laws have changed with lane splitting.

As you are reading this, we will have just finished up our big Summer Blast Event. I want to give a big shout-out to Scott, Lori, Bill, and the committee for all the hard work on this amazing fundraiser. I would also like to thank the staff for all their continuous hard work, and all the volunteers who make this possible! That is why we are the "People's Choice".

There are sure exciting things on the horizon for the Post! August brings around the Car Show on Saturday, August 9th. Also, a little birdie told me that we will be having a decorated trailer in the Greater Moorhead Days Parade! I was even more excited to hear that the famous Budweiser Clydesdales will be at the Post on Sunday afternoon, September 7th. Mark your calendars! There will be people working on this to make it into a community picnic and possibly end up with a little music. There will be more to come. I am also gearing up for our next Honor Flight! We will be departing September 28-30th. We are very excited to be bringing some VIP's from our Post. Paul and Connie Leeman, along with Dennis Beckerleg, will be joining us as our honored Veterans!

As I begin to wrap up this column, I will have had a few firsts. I had my first Post meeting which went fine. Probably due to all the great members there supporting me 😊. My first month as the Commander, which I could not be prouder to be, and my first year completed in my 60's.

As this last month has taught me, live your life to the fullest and tell your people you love them!

Don't forget to thank and tip the great staff for all they do!

Susie Schroeder, Commander

UNIT 21 AUXILIARY MEMBERSHIP

Moorhead Unit 21 welcomes our final new member for 2025 – Donna Shields! We are now starting our 2026 membership year. The national office does not accept new applications until September 1, but if you know someone who would like to join, we can still initiate the application process. 2026 renewals are another thing – the sooner they are received, the better. Membership dues for 2026 are still \$35.00 for senior members (age 18 and over), and Junior dues (birth through age 17) are only \$10.00. You don't need to wait for a renewal notice. I don't have the actual date yet, but if I can get your dues submitted to the National office the first week in August, they will not need to send you a renewal notice. Since they have nearly a million renewals to get processed, any savings in postage helps. Just send your check to me at 1332 11th Ave N, Moorhead, MN 56560-1614.

Don't forget – those who pay their 2026 dues on or before Veterans Day (November 11) will have their membership card marked with an early bird stamp, which is good for one free drink at the Legion. If you pay your dues online, your card comes from the National office. However, you can still get an EARLY BIRD stamp by bringing your card to an Auxiliary meeting for stamping, or by giving me a call, and I will send one out to you. Sooooo – be an Early Bird and help get our 2026 membership year off to a great start!

President's Corner

Greetings!

Summer is moving on, and we hope you have been enjoying all that sunshine!

First, I want to remind you that our next meeting is coming up on August 4th at 6:00 pm. The executive meeting will be at 5:30. Please bring your committee folders that I handed out. This will be a busy meeting with lots to cover. Right now, our September meeting is not scheduled. The first Monday of the month when our meeting is usually held coincidentally falls on Labor Day. Our Legion is very busy, so we will discuss a possible date at our August meeting.

Looking ahead into the fall, we have several important dates where our Auxiliary will be involved. September 15th, we will host the VA Appreciation Dinner, September 14th is Preflight for the Honor Flight, September 30th, the Honor Flight returns from Washington, D.C., and on October 12th is the Membership Dinner. We are asking our members to help out with these events. More on this at our next meetings.

The Gold Book 2024-2025 has been distributed. It has very interesting tallies of the year-end reports. Looking at these reports, there are several good ideas that other Units have included in their committee reports. Our Unit 21 has been strong in several committee tallies. I know we can do more. With this information and by forming our committees with Auxiliary members, we can strengthen our Auxiliary, ultimately helping our Veterans, community, and Legion Family.

We are still selling pretzels and dip for the land fundraiser. Customers at the Legion are really enjoying this snack, making it hard to keep up with homemade dip and bagging the pretzels. We need to form a "Pretzel" committee to maintain a regular schedule and handle the demand. We will discuss this at the next meeting.

This next month will mark the beginning of our new year. Let's strive to follow the words of our Preamble to the Constitution of the American Legion Auxiliary. Everyone is welcome to our meetings. If you are a member but are not so sure about getting involved, please just attend and you will be welcomed. Involvement is up to you. If it is purely a social time for you, or if you are wondering how you can help our Veterans, know that you are welcome.

Barb Chamberlain, Unit 21 Auxiliary President

Wow, another busy month for the FM Legion Riders. I can't believe August is just around the corner.

We have certainly been active. We helped with a Veteran escort to the National Cemetery, assisted in the Legion kitchen, and had our annual Veterans Fun Run!! We had a wonderful time with a great group of people as we were raising awareness for the needs of our Veterans while raising funds to help make it all possible. The generosity of our area is truly amazing, and we want to thank everyone for making this event a success.

Moving forward, we will be assisting with Summer Bast and hosting one of our fantastic breakfasts on July 27th, with proceeds going to the ND/MN Veterans Honor Flight.

In August, we will host another Veterans Run on the 16th and participate in Looney Days in Vergas, MN.

We still have raffle tickets available for our drawing in October. So, get some tickets and win some cash!

As always, please keep an eye out for our motorcycles and help us stay safe.

God Bless,

Marc Simonet - Director/Chaplain FM Legion Riders.

Veterans Service Officer

Hi,

I was recently in Louisville, KY, for an accreditation training, and many things that the VA is doing works, but unfortunately, veterans in Cass/Clay County are scared. Many of you have voiced your concerns, and they're all valid. This is not about politics. It's about promises. When a veteran takes the oath, they're told they will be cared for when the uniform comes off. Legislation like this should be carefully reviewed to ensure it doesn't erode the very benefits that uphold that promise. We have earned benefits not given to us just because, but earned through hard work, perseverance, blood, sweat, and tears.

Buried in the details of new federal legislation are changes that could dramatically affect veterans access to health care, housing, and food security, especially those who are elderly, low-income, or disabled. Many veterans rely on Medicaid as a supplement to VA health care, especially when facing long-term care needs or medical services not offered at VA facilities. If Medicaid eligibility tightens, it could create barriers to vital care for the very individuals who once stood in defense of our nation. We can do better, and now is the time to pay attention. Demand answers and demand respect. Supplemental Nutrition Assistance Program (SNAP) benefits could hit low-income veteran households hard — especially in rural areas where food deserts and lack of access already present challenges. We do work with several food banks in the F-M area. Because honoring our veterans means more than standing ovations at football games — it means standing up for them when it counts. If you're in need, please reach out to Curt or me for help.

Stand Down II Event – see attached flyer or save the date.

Cass and Clay County's mission remains clear: to ensure every veteran in our community receives the respect, resources, and guidance they deserve. With your support, we can continue expanding this impact and honoring the commitment these men and women have made to our country. Please attend our Stand Down on 9/11/25 at Broadway Square from 1000 – 1400.

Throughout the year, we also coordinate regular VA benefits workshops, claims clinics, and outreach efforts in collaboration with local partners. These events include healthcare enrollment opportunities, employment fairs, educational briefings on legislative updates, and targeted outreach to underserved populations, including rural and women veterans. We also offer peer support groups and appreciation events designed to strengthen connections and reduce social isolation.

Thanks to these efforts, we've seen a significant rise in successful claims outcomes, particularly for veterans who were previously denied or unaware of their eligibility. Our growing network of support continues to improve advocacy, build trust, and streamline access to essential benefits and services.

We would love to see you, and thanks for all you do!

SQUADRON 21

The SAL members helped with the Honor Flight fundraising at Hebron brick. Thank you for hosting! Volunteers served over 200 brats, 50 hot dogs, and a lot of pulled pork. A BIG THANK YOU to Alsager Meats for providing the meat. If you happened to stop in at one of their many locations, be sure to thank them.

If you stop by the club, check out the new SAL sign outside the club. Thank you, Marc Simonet, for your generosity.

The Legion car show will be held on Saturday, August 9th. Got something nice, come show it off!

Just a reminder that your 2026 membership renewal is coming up. We were number 1 in the Detachment of MN. Let's keep that tradition going and stay number 1 in the Detachment!

During our meeting, we discussed the idea of donating all proceeds, like we do for Cowboy Up Ride Against Cancer, to a different charity. Let us know if any local charities need our support.

Heading across the pond... see you soon.

Shooting Sports

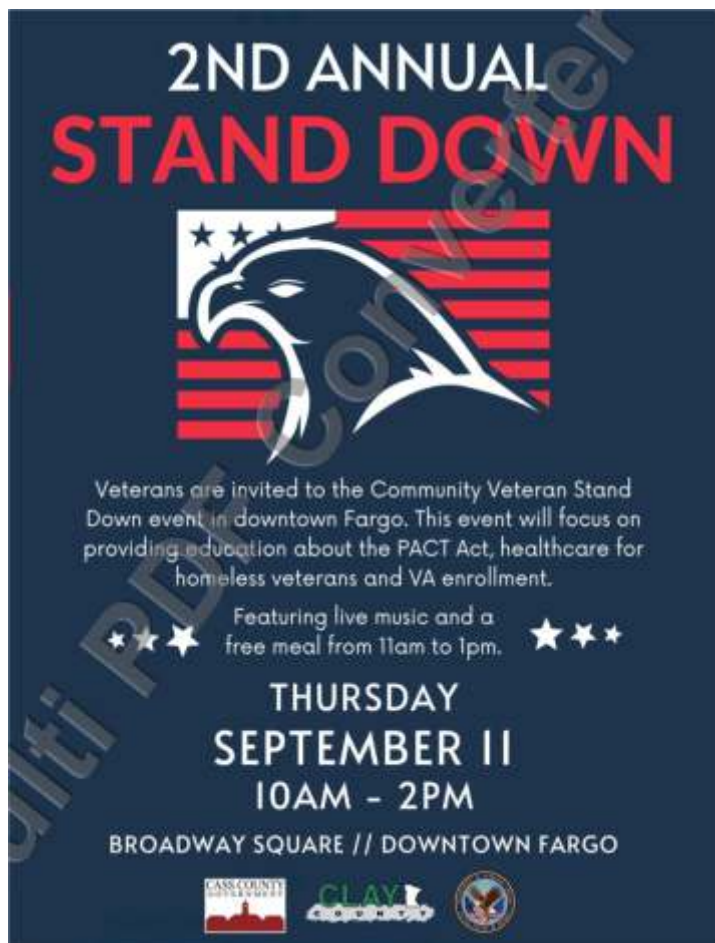

Not much is happening this month, as I mentioned in the July Legion newsletter. But by the end of the month, things will start to pick up again in the shooting sports. In late August or early September, the Glyndon Rod and Gun will again host the fall season of the Minnesota High School Clay Target League. I am sure it will be the same three High schools with about 200 CO-ED youth shooters. This year, Concordia College will have a team shooting in the College League. The fall season will again be 8 weeks, with a chance to go on to the state level shoot at Alexandra, MN. There is also a chance to go to the national shoot.

It depends on when a School District starts school, which is in MN. High School Archery Program starts. It could be the end of Aug, or the beginning of September. Either way, the CO-ED shooters will be happy to get back to shooting in their sport.

IRA - Individual Retirement Account

QCD - Qualified Charitable Contribution

If you have an IRA and are 70½ or older, you can make a transfer from your IRA directly to a qualified charity using a QCD, and it will be tax-free. These transfers are a great way to give to a qualified charity, especially if you do not itemize deductions or file a tax return.

The amount is not reported as income and is not taken as an itemized deduction if you file a tax return. The amounts must be paid directly from your IRA to the qualified charity.

Our American Legion is a qualified charity. If you want to use this method to donate to our American Legion, contact the trustee of your IRA to arrange a direct payment to “American Legion Post 21”.

Your holder (trustee) of your IRA or your tax preparer should be able to answer any other questions you have concerning a QCD.

“RRR Fund-Raising Update” - (Restore, Refresh and Replace)

We are continuing to raise money for the RRR Fund.

The RRR Fund is an ongoing fundraiser for repairs at your Post Home. If you have questions on this fund, please give Scott Moen, Club Manager, a call @ 218-233-1297.

Also, a very heartfelt thank you to all our previous donors for your dollars and for volunteering to make this Post-Home look great.
