MANAGER'S CORNER

Hello Members!!

Well, September certainly went by quickly. We had a fantastic turnout for the Budweiser Clydesdales on the 7th. Thanks to everyone for coming out; it was a great event! We hosted several good events at the club in September. There was the Fargo VA hospital volunteers banquet, a 100th birthday celebration for a wonderful lady, the MSUM Women's Softball Team visited for an evening of food and fun with their parents who flew in from all over the United States, and to top it off, the Moorhead High Football Team held their annual fundraiser at the club on the 28th. Great month!

Legion Riders' breakfast begins this month and continues through April, held on the first Sunday of each month. Come out and support their cause; they do wonderful things in the community. The membership dinner is scheduled for October 12th, so make sure to call the club to add your name and any guests you may bring. There are many events happening at Post 21 this month, including Pinochle starting on the 6th and Saturday Pinochle tournaments beginning with the first on the 25th. Moorhead Girls Hockey will host a steak fry on the 26th from 4-8pm. Please check the flyers in this newsletter for all upcoming activities.

I just returned from my fourth trip with the Honor Flight as a volunteer. If you are a veteran and haven't enrolled yet, we encourage you to consider taking part in this exceptional opportunity. Every veteran deserves to go! We all wrote Uncle Sam a blank check when we enlisted in the military, and that right there is the best reason why all veterans should go. Please take the time to fill out the application; it truly is a remarkable trip! With that being said, we should always keep our veterans and troops in our prayers. May God bless you, and may God bless America.

Scott B. Moen, Manager

COMMANDERS CORNER

Well, as September has come to an end, the month of October is looking to be a busy one. We will be just coming back from our Honor Flight to DC and will be going right into the famous Legion Riders Breakfasts! October brings us Vikings Football and the start of many Moorhead Sports fundraisers. Don't forget to mark your calendars for October 12th for the membership dinner put on by the Auxiliary.

Recently, a few of us went to the Hillsboro Vets Club to see their broasted chicken operation. What an operation that was! They had over 500 pieces of chicken sold out within ½ hour of opening! Why did we go there? We are toying with the idea of starting broasted chicken here. Winner Winner chicken dinner! Let us know what you think of the idea.

Speaking of ideas, we are still working on different things to raise money for the land out back. If you have any ideas or know of anyone who would like to make a large donation, please let Scott or the House Committee know!

As I am writing this, I just got off the phone with my daughter, and she is still a couple of weeks out before she leaves the country and will be heading home. I am super proud of this young lady and all the other Hooligans that will be finishing up their 6-month rotation.

As I close, I would like to give a heartfelt THANK YOU to Dennis Beckerleg for his many years as the Gaming Manager for the club. There have been many challenges that he has guided us through to make us the club we are today. Thank you!

Susie Schroeder, Commander

Happy Fall!!

Fall brings many changes. We are enjoying the cooler weather, the beautiful colors when the leaves change, cheering for our favorite team, and the kids go back to school.

October is Education Month in our department calendar. The purpose of the Education Committee is to promote quality education for children and adults through classroom activities, literacy programs, scholarship promotion, and support of education beyond high school, with a special emphasis on children of Veterans and service members.

Our Unit 21 Auxiliary sponsors a High School scholarship each year of \$500. The students must apply and write an essay on a designated topic. The applications are then reviewed by our committee and a student is then selected. The scholarship is presented at their school's award night in the spring. The actual money is then sent to the college when they enroll. We have also supported local High School programs and activities with donations to help students with expenses so they can participate if they need financial help.

The American Legion National Organization awards four scholarships annually.

1. Children of Warriors National Presidents' Scholarship of \$5000. Fifteen are awarded.
2. Spirit of Youth Scholarship for Junior Members, five scholarships of \$5000 each.
3. Non-traditional Student Scholarship for those in the Legion Family who go to college later in life. Five awarded at \$2000 each.
4. Junior Member Loyalty Scholarship, ten scholarships of \$2500 each.

Scholarship applications are available online at www.ALForVeterans.org

We enjoyed sponsoring 5 Veterans from the VA Hospital for lunch at the Legion on September 8th. The veterans were able to order off the menu and really enjoyed the good food and conversation. Thank you, Becky, for arranging this. We have decided to sponsor this lunch outing three times a year. We hope to have one more while the weather is nice.

Thank you to the Auxiliary members who helped serve at the VA Hospital Volunteer Luncheon on September 15th. Over 60 people were served a delicious dinner made by Patty. Everyone loved the meal. The Auxiliary members also helped with the cleanup and did all the dishes!

The next event we need to plan for is the Fall Membership Dinner. It is on October 12th at the Legion. We will finalize the preparations at our October meeting.

The next meeting is October 6th at 6:30 with an Executive Committee meeting at 5:30. We have several important items to discuss, so please try to attend. The Budget Committee has come up with the tentative budget for next year, so this will be an item of discussion. The pretzel sales have really taken off, so we need to get a schedule of volunteers to check and prepare the dip and pretzel bags to keep them well-stocked. Thank you, Kathy, for checking on this, and she needs the help of other members.

Barb Chamberlain, Unit 21 Auxiliary President

Fall is officially here, and boy, did it get here fast !! But the FM Legion Riders did not sit idle.....

We started off the month by giving away 4 bicycles to our young riders during the Dilworth Police Picnic Night Out.

We helped our good friends at Laney's Inc. celebrate their 65th Anniversary by grilling for them.

We had another Honored Veteran ride for our wonderful friend, JC Cunningham.

We had volunteers help with a golf outing supporting the Honor Flight.

We've been helping to prepare for the upcoming ND/MN Veterans Honor Flight to Washington, DC.

And !!!!! Our Legion Riders Breakfasts are back!!! Starting the first Sunday of every month through April. #1 is October 5th, with proceeds going to our friends at PADS. 8 am - Noon. The MN Vikings will be playing live on TV. And we will be drawing the winners from our Cash Raffle that morning.

So much is happening with much more to come. Let's have a safe fall.
Thank you, and God Bless.

Marc Simonet - Legion Rider Director and Post Chaplain.

FARGO VA NATIONAL CEMETERY

THE FARGO MEMORIAL HONOR GUARD HAS BEEN SERVING THE FARGO VETERANS NATIONAL CEMETERY SINCE ITS DEDICATION ON 7 SEPTEMBER 2019.

The figures for this month's newsletter are from 13 October 2019 through 31 August 2025.

There are 316 urns in the Columbarium, 660 urns in the ground, 30 caskets in the private vaults, 292 caskets in the Government vaults, and 2 plaques on the Memorial Wall, for a total of 1,300.

THE INTERNMENTS/BURIALS AT THE FARGO NATIONAL CEMETERY INCLUDE 1,027 VETERANS AND 273 SPOUSES, FOR A TOTAL OF 1,300. THERE ARE 156 COUPLES INTERED/BURIED AT THE FARGO NATIONAL CEMETERY. The breakdown per branch of service is: Army – 519, Navy – 217, US Marine Corps – 69, US Air Force – 218, Army/Air Force – 4, Spouses – 273, for a total of 1,300 Internments/burials.

During July, the Fargo Memorial Honor Guard conducted 20 internments/Burials for 314 volunteer hours. Our yearly volunteer hours are – 2019 = 966, 2020 = 2,072, 2021 = 3,373, 2022 = 2,798, 2023 = 2,557 and 2024 = 2,889 and 2025 = 2,248. Since 13 October 2019 through 31 August 2025. We have accumulated 17,410 donated volunteer hours.

WHAT IS AN "UNCLAIMED VETERAN"? 1. AN Unclaimed Veteran has no living family member to claim him at the time of his passing. 2. There may have been one or two living family members, but there was a family dispute years ago, and they have not talked to one another ever since. 3. The family member had health problems and could not travel. Also, they had financial problems and could not afford to pay the funeral expenses.

Once you claim responsibility for the deceased veteran, you are responsible for all expenses outside of the national cemetery. We had an Unclaimed Veteran on July 7 and August 8, 2025.

THERE HAVE BEEN A NUMBER OF VETERAN INTERNMENTS/BURIALS IN THE AREA - LOCAL CHURCHES AND COMMUNITY CEMETERIES

The Fargo Memorial Honor Guard has conducted Military Honors in all kinds of weather. The FM Honor Guard will NEVER cancel an internment of a Veteran due to bad weather. The family is responsible for making that decision.

We are always looking for new members to join the Fargo Memorial Honor Guard. If you are interested or have questions, please call Marvin J. Nicklay at 701-371-0604 or email me at mjnicklayupb@gmail.com. Be careful, be safe, take care, and GOD BLESS. Marvin J. Nicklay.

Veterans Service Officer

Happy October,

As we start getting into our colder months, let's check on our battle buddies, and as always, please use #988. 988 has seen a 150% increase since its inception in July of 2022. The state of ND (via FirstLink) reported a 68% increase in "contacts" (calls/texts/chats) to the 988 Suicide & Crisis Lifeline in 2024 compared to 2023. If you know anyone, please have them use this great service, as you're not alone.

Flu Shots are now being offered through the Fargo VA – check your local VA or CBOC's– walk ins, drive throughs and blitzes are going on until the end of October.

Habitat for Humanity is looking for a veteran for a home in 2027 – need candidates and would be in the FM area. Please reach out to Pete Christopher at 218-512-0109 for more information or the Cass County Veteran Service Office for application assistance.

VA claims were up 6600 from last year – 2024 – as of mid-August, the VA had processed 2.5 million claims with an approval rate of 61.8% and was getting 1.3 million veterans' and families' benefits. Please talk to Curt or me as we can seek increases and new claims for veterans. Appeals can be reopened with new and relevant evidence. As always, we're here to help and make sure your claims will be tracked, and please do not file on your own. We're free and will never charge for any services.

CAPTEL is offering veterans free phones with hearing loss – POC Tamara Eade – tamara.eade@oeius.org – must have internet connection – large display for captions – amplified sound for those with hearing loss. She will come into your home and set up the phone for no charge. The process takes about an hour.

Homeward Animal Shelter is looking for veterans to adopt dogs, as you will receive a 25% discount on their application process. Please contact – Tasha Haug at 701-239-0077. Please look below at the dogs currently available for adoption. Up to 80% of our animals may be in foster care at any given time, so to meet dogs in foster care, please fill out an adoption application, and we will be in touch! If you would like to see dogs in the shelter, please stop in during open house hours, which are Tuesday-Friday from 4-7pm and Saturdays from 2-6pm.

We just wanted to say "thank you" to all those who attended the second annual Stand Down in downtown Fargo last week. We had over 400 people in attendance with over 40 service tables helping you, the veteran, and your families with your specific needs. Thank you for attending and making this a huge success.

Thank you for your service,

Chris

PASTA FEED & SILENT AUCTION
NOVEMBER 2, 2025 - 1pm-3pm
Sabin Community Center, Sabin, MN

On June 2, 9-year old Declan Nygaard - son of Shawn and Samantha Nygaard of Sabin, MN. A bright, fun 4th grader at Barnesville Elementary - had a seizure while sleeping next to his parents. Doctors soon discovered an arteriovenous malformation (AVM), a fragile tangle of blood vessels pressing on his brain. Because it has already shown signs of bleeding, specialists at Mayo Clinic will perform surgery on October 8th to remove it.

Declan is a lively kid who loves wrestling with his big brother Xander, pushing his cat Candy in a stroller, and dreaming big - from visiting his uncle in Thailand, to earning a black belt, and even running in the Olympics. For now sports and running are off limits, but his spirit hasn't slowed down any.

Declan will spend about six days in the hospital and at least a month recovering. Scan the QR code or visit LendAHandUp.org to support Declan's journey - every gift is boosted 20% and helps this amazing boy get back to chasing his dreams.

Shooting Sports

As I expected, the shooting sports picked up again in September. On September 13th, the Clay Target teams started their fall league. The first team to shoot was the Concordia College team. This team is listed as part of a college-level clay target league. Usually, it has about 15 shooters. The next team to begin the fall league is the Minnesota State High School Clay Target League. The teams participating in the Fall league are Dilworth/Glyndon/Felton (DGF) and Park Christian School. These two schools have been competing for several years. The other school that usually participates is Moorhead High School. They will not field a team this fall, but I believe they will be back in the spring league.

I spoke with Jon Rude, the head coach of the Park Christian team. This fall, he has 24 youth shooters. Like in previous years, the Park Christian team is co-ed. I believe it's beneficial for these young people to compete in high school sports, as it teaches them to compete both as individuals and as team members. Some of these youth might never shoot again, hunt, or be involved with guns. They have learned about guns, and the most important lesson is that they now understand gun safety and the responsibility that comes with owning and handling a firearm.

Till next month, Safety is number 1 years.
