## MANAGER'S CORNER

Hello Members!!

Post 21 sure looks Awesome!! All decorated up for the Holidays. Sure, hope everyone gets a chance to see it before we take it all down mid-January. It's the first time we have strung garland in the whole building to the tune of 1500'! It was well worth it and we received a lot of compliments. Christmas and New Year's celebrations here at the club were a huge success with music from the Front Fender to Rick Adams and the Auxiliary ladies with all their baked goodies.

We have scheduled a couple of Expansion fundraisers for the month of January. We will be having a breakfast on Jan. 11th from 8-1 pm and then on the 25th<sup>h</sup> we will be having a steak fry from 4-8 pm. So, keep those events in mind. You can visit moorheadlegion.com and take a look at the plans for the addition. There is also a QR code where you or anyone interested can donate to the project, which would be greatly appreciated. We are also looking for some help or guidance in a few areas pertaining to the project. Grant writers for one and accountants that maybe familiar with business plans and projections. If anybody has any tips you can call me at the club. Thank You in advance.

There are a lot of events coming up in January at the Club. Please pay attention to the flyers in this newsletter, especially the calendar of events page or if you have any questions, please call the club. I hope everyone had a blessed Holiday Season and may your New Year be bright! Remember to always keep our troops and veterans in our prayers as always. May God Bless You and May God Bless America.

Scott B. Moen, Manager

### Silent Auction Goes All Weekend!

# COMMANDERS CORNER

Greetings and happy new year!'

I sure hope everyone had a wonderful Christmas, ate lots of good food and Christmas cookies and maybe opened a gift or two.

It's really hard to believe that we're already into 2026. It sure seems like last year just flew by. As we sit and look back on all the things that happened last year the post has been hopping. Scott has been very busy as there has been something going on at the Legion every weekend. Thank you for that. You will see we are starting to do some more fundraiser breakfasts for the post improvement project. We met with the city this last month and they gave us the support we needed to start going ahead with the expansion. You will see probably much more information coming out on that.

So much for slowing down in the new year, we're gonna kick it off with the Rider's breakfast, roll into a Post breakfast and close it out with a hotdish contest! It's going to be a fun January!

I'd like to give a huge shout out and thank you to past Commander Gary Schultz for all of his hard work and phone calls he made on membership renewals.

I would like to thank all the staff for all your hard work and dedication this past year. The Moorhead American Legion would not have such a good name without you! Like I've said in the past, we are all a family, and it really helps when we all support each other.

Happy New year and see you at the club!

Susie Schroeder/Commander

## President's Corner

BarHappy New Year!!

As I write this newsletter I am thinking about this past year and what a great year it was for our Unit 21 Auxiliary!

This past year we were involved in monthly meetings, helping at special events, bake sales, silent auctions, fundraisers, donations, girls state, welcoming new members, serving meals, membership dinners, Memorial Day, Veterans Day, Veterans Family Christmas party, Poppies, lunch with VA Veterans, pillow making, scholarships and of course our potlucks!!

None of this could have happened without the dedication of our members and the support of our Legion Family. Our common goal is remembering and helping our Veterans and their families. As an Auxiliary member no matter how involved you are or choose to be you are still there for one purpose and that is Veterans. Just attending meetings shows you care. It shows you care about Veterans now and it shows you care and remember the Veteran that you put on your application for membership. How proud you must feel to be a member of an organization such as this that concentrates on the ones that have given us our freedoms.

Let's make this coming year 2026 bigger and better in our dedication to Veterans and their families. We can make a difference!

We will have a January meeting on the 5th, hopefully weather permitting. We will be involved in several events in January, and we will discuss these at our meeting.

Thank you all for a wonderful year! Let's do it again!

May you all have a wonderful New Year of good health and happiness.

Barb Chamberlain, Unit 21 Auxiliary President

## UNIT 21 AUXILIARY MEMBERSHIP

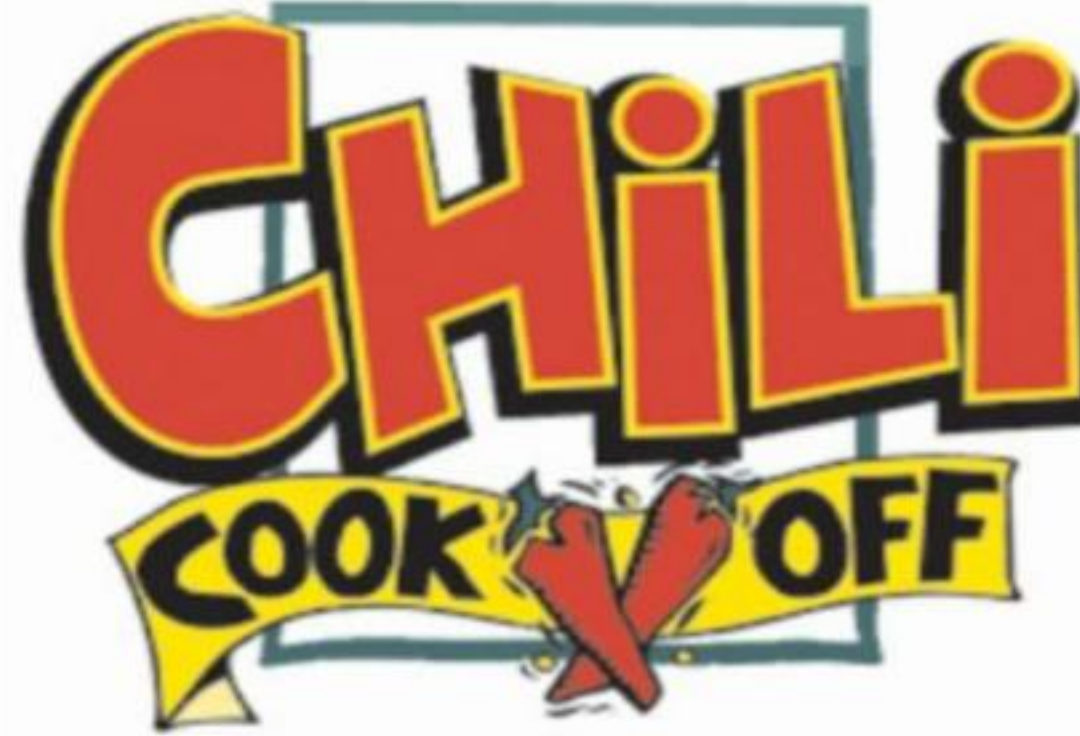

December was a quiet month for membership, but we are still on track to have a very good year. We currently have met 80% of our goal but many of our 9th District Units are already at 100% so we need to get back to work on getting our membership up to date. Our 2026 dues are still \$35.00 for senior members (18 and older) and \$10.00 for junior members (birth through 17 years of age). If you don't have your 2026 card, please consider renewing your membership soon.

I want to wish all of our American Legion family a very Happy, Healthy and Prosperous New Year! Let's continue to work together to make it an even better year for our troops and our veterans who have done so much for us.

Happy New Year!

A Message of Gratitude, Hope, and Support for 2026

As we welcome a new year across North Dakota and Minnesota, we want to take a moment to recognize the strength, resilience, and service of every veteran and military family in our region. Winter in the Upper Midwest can be long and challenging, but it also brings opportunities for connection, reflection, and renewed hope. Most importantly — thank you. Whether you served stateside or overseas, in combat or in support roles, your commitment has shaped our communities and strengthened our nation. You matter, your service matters, and Curt and I are honored to walk beside you into 2026.

**ND and MN winters are no joke — but there are many ways to stay warm, connected, and have some fun along the way.**

Layer clothing — moisture-wicking base layers make a huge difference.  
Keep extra gloves, socks, and blankets in your vehicle.  
Space heaters should be used with auto-shutoff and never left unattended.  
If you're struggling to heat your home, contact your county VSO — there are programs that can help.

## Try Something Fun This Season

Winter can be long, but it doesn't have to be lonely or boring. Consider:  
Outdoor activities like ice fishing, snowshoeing, or cross-country skiing  
Visiting local VA recreation therapy events  
Joining a veteran coffee group or winter wellness challenge — Fargo Air Museum for ex.  
Checking out indoor attractions — museums, fitness centers, gyms, or bowling  
Exploring veteran-run businesses and community events

Remember, staying active is good for both your body and your mental health.

## 2026 COLA Increase: What Veterans Need to Know

Each year, VA disability compensation increases to keep pace with the rising cost of living. For 2026, veterans will see a COLA increase, meaning:  
Your monthly service-connected disability payments will go up, starting with the January payment.  
Surviving spouses and dependents receiving VA benefits will also receive this increase.  
No action is required — VA automatically adjusts the amount.

## VA Outreach and Homeless Support Team Success

FARGO, N.D. (Valley News Live) - The Fargo VA Health Care System helped 177 homeless veterans find permanent housing in fiscal year 2025, part of a nationwide effort that housed nearly 52,000 veterans. The Department of Veterans Affairs permanently housed 51,936 homeless veterans nationwide, 4,011 more than in 2024. The numbers represent the VA's best national performance since it began tracking individual veterans housed rather than total housing placements in 2022.

## VA Town Hall -

January 7th, 2026, 1 PM-2 PM (CST) Total VA Fargo Health Care System — 2101 Elm St N — Fargo, ND 58102

All are welcome to join us to learn how we are improving health care for Veterans. Dates and times may be subject to change. Most Town Halls will occur both virtually via Microsoft Teams and in the VA Fargo Medical Center 3rd Floor Auditorium. Each Town Hall will cover updates for the entire Health Care System and go into detail on our respective Outpatient Clinics.

## MATBUS Offers Free Rides for All Veterans

Effective Tuesday, November 11, MATBUS will begin to offer free rides to all veterans, regardless of disability status. Since 2009, the public transit system's fare policy has included free rides for service-connected veterans, a status given to those injured during their military service. Riders showed their eligibility for the free rides by presenting a veteran ID with the "service-connected" designation. Now, any veteran can ride free on MATBUS fixed routes when they show their veteran ID, and no further verification will be required. This free fare will continue year-round. The change has been welcomed to further support all who served in the United States military. It will also reduce any potential confusion that could occur onboard the bus when only select veterans were included in the policy.

## You're Not Alone — We're Here for You

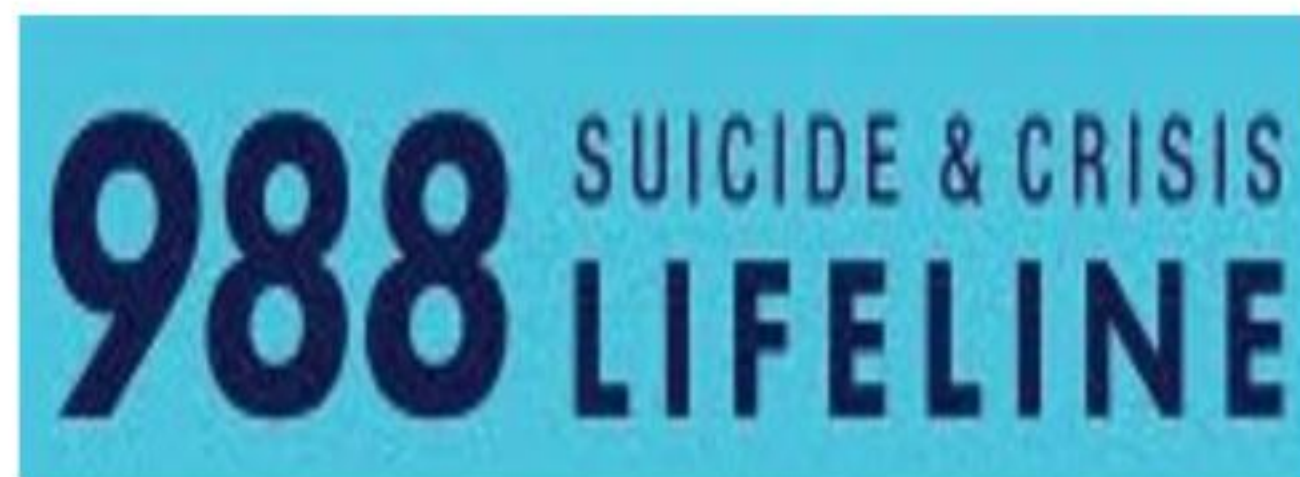

Whether you need help with:

- Filing a VA claim or appeal
- Accessing healthcare
- Navigating mental health support
- Housing or employment assistance
- Staying connected during the winter months

Your local county Veterans Service Office (VSO) is ready to help.  
From all of us who serve veterans in ND and MN:  
Thank you for your service, your sacrifice, and your continued courage.  
We wish you a warm, safe, and hopeful New Year filled with purpose and connection.

# Shooting Sports

The High School Clay Target League finished another successful co-ed season, with many students shooting for the first time and others completing their second or third year. Many shot the league for the last time. Many improved their shooting week by week, some shot a perfect round of 25 hits for 25 shots, many shot well enough, to have an average high enough to receive MOORHEAD High School letter in this sport. The Glyndon Rod and Gun Club and the local Minnesota State Clay Target League had another perfect season with Youth having fun and NO serious injuries SAFETY IS #1.

In our area, I'll review two other shooting sports. One is Archery, which includes both Olympic-style and 3-D target shooting. I plan to share more details about each soon.

The other shooting sport your Post 21 support is the youth gun shooting GUN SAFETY for CO-ED youth pistol and rifle shooting. Your Post-21 supported this sport through The Red River Regional Marksmanship CNTR in Fargo. We also donate to the Clay Co. 4-H shooting group. These are two shooting sports I have not addressed in these articles, BUT I WILL SOON. Until then, support your Friendly Moorhead American Legion, Post-21.
