COMMANDERS CORNER

I am writing this on the first day of spring; as we know, around here, it's only a day on the calendar. We do know that it will warm up.

April is another month for family gatherings to celebrate Easter. I hope we have good weather for all that may have to travel.

I need to say thank you to all of our employees and volunteers for all of the hard work this month. All parts of the Post's family have pitched in and volunteered to help with cooking and to serve meals while we are trying to find someone to take over the kitchen.

We will be sending out certificates for continuous membership. For 50 years, Peter Domogalla, Francis Gross, Earl Johnson, Kenneth Kading, Clarence Olson, Ronald Olson, Grand Weyland, and Bernard Yasgar. For 70 years, Glenn Craigmile, Robert Kennedy, Melvin Makela. For 75 years Donald Birmingham. Just a reminder that if you still have not sent in your membership renewal, please do so; we need to get them in.

Please check out the newsletter and flyer for the activities going on this month.

Everyone, please have a great Easter and stay safe and healthy.

Paul Leeman,
Commander

MANAGER'S CORNER

Hello Members!!

Well, Daylight savings time to effect on March 12th to make our days gradually get longer, but I don't think mother nature really cares because she certainly doesn't want to let go of winter. We might just have to skip spring and go right into summer mode. Oh well, nothing we can do about that, but hopefully, things will turn around here soon.

March was busy and fun!! We had a couple of breakfast fundraisers, some excellent live entertainment on the 1st and 3rd Saturdays, and plenty of Bingo for everyone to enjoy. I hope a lot of our Vietnam Era Veterans came out for the luncheon on Vietnam Veterans Day. This event has grown each and every year. We also had some Girl Scouts selling cookies by the front entrance on a few Friday and Saturday nights, and do they ever enjoy that? We are glad to have them. One more thing I have to mention is that we hosted. The High School Girls 15U Bantam hockey team went to state, and we had a parents and players supper on Sunday, March 12th. Hats off to Dale Jensen, Lowell Bennes, and Crystal & Dave Krabbenhof for helping out in the kitchen. Dave did an awesome job of calling out the meals to the girls; it was truly a nice touch!

Update on the kitchen. I have a very reputable cook that will start in the kitchen the first full week in April, serving lunches M - F from am 11 am to 2 pm. We will be bringing back the soup and sandwich special and a lot of the favorites that our regulars love so much. An evening cook for Bingo is in the works, and hopefully, that will get finalized here shortly as well. I can't wait; come in and try the new cook's awesome food.

April is going to be nuts!! What I mean by that is, last year, the Balzum Wing Sling we hosted was the busiest day the club has ever had, I do believe. April 22nd is when that day comes upon us, and it will be busy, busy, busy!!! Make sure you pay attention to your newsletter for all the flyers. We have breakfasts and awesome live entertainment on the 1st & 3rd Saturdays of the month. Wednesday, April 26th, for our steak night, we are fortunate to be entertained by "Acoustical Addiction." They are two guitar players that love to entertain the crowd, and we are sooooo looking forward to this evening, so come on down and join us for this fun evening!!! I am sure I forget to mention many things, so pay close attention to your newsletter. Remember to keep our Troops & Veterans in our prayers until next time. May God Bless You, and May God Bless America!!

Post 21 Manager

AUXILIARY PRESIDENT

Happy Spring! There is not much to say about the spring weather we are having; however, our dedicated Auxiliary members had a touch of spring flowers at our last meeting! As mentioned in a past newsletter, our Unit is helping make 1000 poppies for the Minnesota State Auxiliary Department. I have to say we were told it was easy, but it is complicated! There are several steps involved, but our members got right to it and started working. It will take us a long time to finish, but it seems a worthwhile project. Our poppies might be unique and have their own personalities, but the poppy mission and tradition is still the same, distributing the poppies for financial benefit to help veterans, service members, and their families.

April is Children and Youth month. In 1954, The American Legion's National Executive Committee authorized the creation of an American Legion Child Welfare Foundation. Not all American children grow up inside comfortable definition of normal childhood development. For thousands, each day is a challenge. The priority of the Child Welfare Foundation is to use donations to contribute to the physical, mental, emotional, and spiritual welfare of children and youth. For more information on the Child Welfare Foundation, visit www.cwf-inc.org.

Our Unit has received quite a few applications for our \$500 High School Scholarship. Members reviewed the applications and choose one student. It was a difficult decision as the applicants were all very talented and involved in many different activities. We also received an application for The Minnesota Department Scholarship and an application for The National Auxiliary Scholarship. Good luck to these talented individuals!

A big thank you to the members that helped serve dinner at the card tournament on March 18th. It was a good turnout. March 29th is Vietnam Veterans Day. Our Auxiliary is having a silent auction and is looking for donated items. Please bring your items to the legion and designate them for March 29th.

The light committee is happy to announce our Post Light Fundraiser!! Our Auxiliary is sponsoring a fundraiser by offering post members a chance to honor a family member, friend, or for yourself by selling light covers for \$200. If you look up at the ceiling lights, you can see examples of the flag and the Legion Family. There will be more information on how Post members can design and apply for your own personal light in the next newsletter. The Auxiliary members can apply now for your personal light by contacting me at 701-238-6237.

April 1st is our Auxiliary Craft and Vendor Show. We are in need of Auxiliary members to help with donating silent auction items and also help with the set up of the silent auction. Please be at the Legion by 8:00 am. This is one of our main fundraisers, and we are hoping for another successful event.

A reminder to our Auxiliary members to please bring your year-end impact reports to our next meeting on April 3rd. We will again be making poppies at 5:00 pm, with our regular meeting starting at 6:00 pm.

As we "Spring" into all our upcoming activities, it will be a busy time for our Unit. We are also welcoming our new members this past month and looking forward to more ways to honor our Veterans.!

Barb Chamberlain, American Legion Auxiliary President

SWEATSHIRTS

The Auxiliary is taking orders for quarter zip sweatshirts. Sizes S-XL are \$40, and sizes 2X and 3X are \$42. Please contact Barb Chamberlain or Aubrey Ketterling for more information or to place an order.

AUXILIARY MEMBERSHIP

More new members! Moorhead Unit 21 welcomes Guadalupe Steinert, Mary Nelson, and Rita Thronson.

As exciting as it is to add new members, it's also important to keep our renewals coming in. We need each and every one of you to keep our organization growing and continue to support the programs that help our veterans, children, and community activities. Whether you attend monthly meetings, serve as an officer or committee chairperson, participate in numerous projects, or simply pay your annual dues, your continued membership helps. There is something of interest for everyone.

Our new membership year is only 3½ months away. Please take a moment to send in your 2023 dues and invite a friend or two to join us - \$30.00 for senior members and \$10.00 for junior members (birth to age 17). Let's make 2023 the best year ever.

Happy Easter!

Judy Carpenter, Membership Chairperson

UNIT 21 FUNDRAISER CRAFT & VENDOR SHOW

No April fooling about it - our Spring Craft-Vendor Show and Silent Auction is set for Saturday, April 1, from 10:00 – 3:00 at the Legion. Any new or gently used items you would like to donate for the silent auction would be welcome. Items can be dropped off at the Legion Friday evening or from 8:00 to 10:00 Saturday morning – or give me a call - at 218-790-7498. The regular Saturday burger baskets will be available, so invite your friends to check out a great place to shop and have lunch – lots of cute items to fill your Easter baskets.

Kristi Perez, Craft-Vendor Fundraiser Chairperson

Hello All:

As the calendar says it is supposed to be spring, the Riders eagerly await for some riding weather! March breakfast was a success, and the Riders were able to raise \$2,500 for the new chapel at the National Cemetery. This is such a worthy cause! Please all support this project with all you are able to give! If you have any ideas to help with this endeavor, please get in touch with Jim Grallum. April's breakfast will be the last for the season. Please come visit us for our year-end finally! All proceeds will go to help your Riders help Veterans and kids in our area. The Riders have been helping in the kitchen while Scott finds a permanent replacement. Please come see our culinary experts (try the amazing desserts) during this period and support your Legion Post 21 and the riders. Let's all pray for warm riding weather to bless us soon!

As always, Thank You to Post 21 and all of the members that help us help our community! We couldn't do it without you!

Veterans Service Officer

Happy Easter!

April means “hopefully” spring and tax time – If you're a veteran or know anyone struggling to find someone to help them file their taxes, a program does exist in both Fargo and Moorhead. Please reach out to your local Community Action Partnership or CAP Lakes and Prairie for Free Tax Preparation Services.

Each year, millions of people have their taxes prepared for free by IRS-certified volunteers. The Volunteer Income Tax Assistance and Tax Counseling for the Elderly programs (VITA) have helped people for more than 40 years. Over 1.3 million free tax returns were prepared for Veterans since the inception of the MOU at nearly 8,000 free tax preparation sites across the country. For the Fargo office, please contact 701-232-2452 and the Moorhead Office, please contact 218-512-1500 and ask about the VITA program and free tax preparation for veterans or low-income singles and families.

VA Airborne Hazards and Open Burn Pit Registry

On March 20, 2023, marked the 20-year anniversary of the start of Operation Iraqi Freedom (OIF). VA estimates that more than 3.6M Veterans served in the Post-9/11 era. This is where it is necessary to see your local veteran service officer or representative due to toxic exposure through the PACT ACT. This act expanded and extended VA healthcare for those veterans and added 20 new presumptive conditions from burn pits.

VA established the Airborne Hazards and Open Burn Pit Registry (AHOBPR) in 2014 to help put data to work for Veterans through research about potential health effects of airborne hazard exposures. By joining the registry, you can provide information to help us better understand whether long-term health conditions may be related to these exposures. Even if you have not experienced any symptoms or illnesses you believe are related to exposures during military service, your participation in the registry could help VA provide better care to all Veterans. You are eligible to participate in the registry if you were deployed to the Southwest Asia theater of operations or Egypt any time after August 2, 1990, or Afghanistan, Djibouti, Syria, or Uzbekistan on or after September 11, 2001.

Regions and countries include: Iraq, Afghanistan, Kuwait, Saudi Arabia, Bahrain, Djibouti, Gulf of Aden, Gulf of Oman, Oman, Qatar, United Arab Emirates, waters of the Persian Gulf, Arabian Sea, Red Sea, Syria, Uzbekistan, and Egypt.

Operations and campaigns include: Desert Shield and Desert Storm (ODS/S), Iraqi Freedom (OIF), Enduring Freedom (OEF), and New Dawn (OND).

Red River Valley Woodcarvers

RED RIVER VALLEY WOOD CARVERS (our mission)

“To promote camaraderie among wood carvers and encourage the continuance of the art through Education, Public display, and Civic involvement.”

The RRVWC's consists of men and women of varying degrees of carving experience and knowledge. Ranging from less than a year to some with over 30 years of carving. Members have knowledge and interests in many different areas of wood carving, from whittling, chip carving, relief carving, tree bark carving, etc. Some of our members like to do mainly one style of carving, while others like to do various types of carving to experience as much as they can. Either way works for its, whatever you enjoy doing. The thing that drew me to the club was the open, friendly, encouraging attitude of the members toward each other and those who are new to the club.

The RRVWC happily has a working agreement with the Moorhead American Legion Post 21 located at 301 30th St S Moorhead, MN. We are able to use their facility (which luckily also has a working kitchen to purchase lunch if desired) for our bi-weekly carving sessions, monthly meetings, and various training classes. Every Tuesday and Thursday from 11 am-3 pm, we have “open carving sessions” where members can gather together to carve on whatever project they are currently working on while experiencing camaraderie and fellowship with one another. Our monthly meetings are usually on the 1st Saturday of the month, which usually includes some type of carving training class also scheduled for that same day. The training classes are open to both members and the Public, so come check us out! The classes run from 9 am-4 pm, with a break at 10:30 am for the club meeting. Some examples of recent training classes are; a “Gnome Wood Carving Class,” a “Wood Spirits Carving Class,” a “Crappy {fish} on a Stick Carving Class,” a “Colored Pencil Drawing Class,” and a “Floral Relief Carving Class.” Arrangements for more training classes for the near future are in the works!

An area where the RVWC's get involved with the Public is at “Touchmark at Harwood Groves” retirement community located at 1200 Harwood Dr. S Fargo, ND. We have an arrangement with the facility staff that members meet there on the 2nd Monday of each month. They have tables/chairs set up in the main lobby area where we display our previous carvings while we carve on our current projects. But more importantly, we visit with the facility residents who are routinely stopping by to see what we are doing. Many are genuinely interested in what we are doing and routinely thank us for being there each month.

On April 14th - 16th of this year will be our annual “Red River Valley Wood Arts Festival” held at the Fargo Air Museum located at 1609 19th Ave N Fargo. This festival is open to the Public and allows a chance for the various area wood carvers and other artists to display their creations. There will also be some training classes that both club members and the Public can sign up for!

RRVWC's has a Public Facebook Page called “Carvers and Friends of the RRVWC,” on which people post updates, information, and photos about the club and its activities. We encourage everyone to check it out to get a better feel of what the club and its members stand for. And whether this club is something that you might be interested in becoming a member of. We are always looking for new members and we hope that you are one of them!
