COMMANDERS CORNER

It's hard to believe that I have been Commander for a year. I need to thank Tim Haugen and past Commander Gary Schultz for all of their help with the transition of learning what the Commander must take care of. I also need to thank Dennis Becker and Scott Moen for helping me understand what it takes to run the club and the gambling side of this Post.

We have two big events coming up in July: the Over the Top on July 22nd for the Honor Flight and the Minnesota Legacy run on July 29th. Volunteers will be needed; please contact the Post for a list of what is needed.

I need to thank all the staff and volunteers for their hard work this month and especially for making the 9th District convention a great success.

I will be looking for volunteers to help with the Hornbacher's brat sales coming up on August 4th and 5th.

New membership renewals will be coming out shortly. If you have not sent in your 2023 renewal, please send it in so that you keep your continuous years of membership.

Please check out the newsletter and activity calendar for all of the events happening at our Post.

Please have a safe 4th of July.

Paul Leeman,
Commander

MANAGER'S CORNER

Hello Members!!

The Summer months are typically slower around Post 21, but things always seem to come together little by little. June was a decent month, with Post 21 hosting the 9th District Convention and showing off the Post. Our steak nights have picked up dramatically in the past 6 weeks, and we are averaging about 100 steaks every Wednesday night. Speaking of steak night. I have held off from raising the price for a long time to benefit our members and guests, but as everything else is going up, so does the steak price. August 2nd the Steak price will increase to \$14, as this has been in the works for a while. Our cost for an average steak meal is just shy of \$12. So, you can see, we are not out to make a lot of money but to provide a great steak meal along with a great atmosphere for a very affordable price.

As I said earlier, we are continuing to bring in new people or groups to meet or get together at the Post. American Crystal Sugar Retirees will be here the 3rd Tuesday of each month from 12 to 3 pm to have a bite to eat and socialize. There are a few other groups as well, taking advantage of our wonderful noon meals and meeting room in the back of the Club. Speaking of food, if you haven't been in for lunch, you must stop in and try Sarah's cooking! You won't be disappointed.

July is going to be flat out a "FUN MONTH"! We have got so much going on you must pay attention to the flyers in this newsletter. Events for the Honor Flight, MN ALR Legacy Run, FM Legion Riders Run, Parking lot party, car shows, and more.

Before I forget, the Club will be open on July 4th!! The hours will be from 3 pm to 10 pm, so come on in and Celebrate America with us!! Lots of stuff going on. I hope to see everyone soon. Until next time, keep our troops and veterans in our prayers. May God Bless You, and May God Bless America.

President's Corner

Summer greetings to all!

With the temps soaring to almost 100 degrees Post 21 has been a cool welcome relief, a place to gather with friends, enjoy a cool beverage, play some bingo or cards, listen to music, and enjoy not heating up your kitchen by having a meal prepared and served by friendly people you know! It also welcomes other clubs and organizations to gather, hold meetings and plan their service to our community.

The other night I was here for a meeting but came earlier to meet with a friend helping me with a computer setup. Our meeting went on while the place started filling up with patrons. It was steak night. Looking around, I saw people of all ages, and all walks of life, some only with one other and some in groups. Everyone was talking, laughing, enjoying the time together in a comfortable setting, and listening to Pepper Ashmore, and just like that, there was trouble in the kitchen with the grill!!

With the place full of hungry people, some were already enjoying the salad bar and steak orders in the Post, and staff immediately got into action! Within minutes they were setting up the grill outside and beginning an unplanned barbecue! With "one-thin dollar" Dennis on the microphone, the crowd was assured the steaks would go on! All the staff worked together to figure out what to do and make it run smoothly, Pepper kept on singing, and the patrons enjoyed a fun evening!

Reflecting back on the evening, I am reminded how our Post 21 is a family, a Legion family all working together no matter what group, organization, non-members and members, volunteers, and paid staff all together with one common goal service to others. I am proud to be a member of the Moorhead American Legion, and I know that all of you are too! Let's continue to support this Post and all the activities it offers. There are events coming up soon, so check out the calendar!

Look up!! The ceiling lights are selling fast! Check out the article about how you can acquire a light to honor someone.

This is a fundraiser for the Auxiliary and is turning out to be successful and also an interesting addition to the decor!

Another big thank you to the Auxiliary for serving the meal on Thursday and Friday nights! Many of you have been enjoying their homemade bars, cakes, and pies too!

This a reminder that there are no Auxiliary meetings in July and August.

Enjoy your summer, and we hope to see you here enjoying time with your Legion family and friends!

Barb Chamberlain Unit 21 Auxiliary President

CEILING LIGHTS

Greetings from the Auxiliary! There have been some exciting changes around here, and our big one is our fundraiser with the personalized ceiling lights!! Currently, we have around ten panels that are up for sale! There are some stipulations that must be met.

You must be an active post or auxiliary member to purchase one.

The cost is \$200.00 for a panel, and it must follow the guidelines in the application.

I will be taking the orders on a first-come basis at the following email address.

Post21Auxiliary@gmail.com

When I receive your email, I will confirm back to you with the application that you have secured your ceiling light.

AUXILIARY MEMBERSHIP

As mentioned last month, even though we are nowhere near the end of the calendar year, we only have a couple of weeks to finish up the 2023 membership. At the close of the State convention set for July 13 – 15 in Redwood Falls, the 2023 Auxiliary year ends, and we will start working on 2024 membership. If you have not yet paid your 2023 dues, please do so as soon as possible. Membership dues support many programs that help our veterans. Your 2023 membership is good through the end of the calendar year.

I'm happy to report that Moorhead Unit 21 was awarded the Bagley Americanism Trophy at District Convention in Moorhead last month for the 2022 and 2023 years. This goes to the 9th District Unit with the most new senior members, so a special thank you to all our new members for the past two years and those who recruited them. We appreciate your help in keeping our membership strong.

Have a Happy and Safe 4th of July weekend! matters!!!

As the weather is finally warmer, the Riders are finally getting some much-needed wind therapy.

With a collaboration between the Legion Riders, Crusaders MC, and Women In The Wind MC, we embarked on a 1000-mile Iron Butt challenge on June 10. We left Fargo at 6 am arriving In Forsyth, Montana, for a hamburger returning to Fargo at 1130pm. Total miles 1006 in less than 18 hours. This was done to raise money for ND/MN Honor Flight, an organization that is dear to all of our hearts. One of our members, Mike Wolfswinkel, could not ride due to being in the hospital, but he was there in spirit and has fully recovered. We superseded our goal for money raised with totals to come.

The Legion Riders and their culinary experts volunteered to prepare and serve food for the Norma Flores Benefit. Thank you, Legion Post 21, for your generous donation to cover food. We pray for a full recovery for Norma!

We look forward to our annual motorcycle fun run on July 15! Please come out and support the Legion Riders for this annual event!

We want to thank Sarah Knutson and the J&S Felton Bar for making the Legion Riders the beneficiaries of their July 8 motorcycle run.

Please help keep all riders safe by watching out for motorcycles.

As always, in closing, thank you, Post 21 and its members, for all your endless support.

THERE HAS BEEN A NUMBER OF VETERAN INTERNMENTS/BURIALS IN THE AREA - LOCAL CHURCHES AND COMMUNITY CEMETERIES.

The Fargo Memorial Honor Guard has performed the Military Honors in all types of weather. The FM Honor Guard WILL NEVER cancel an Internment of a Veteran because of bad weather. The family has to make that decision.

Veterans Service Officer

Have a Happy and safe 4th of July

Recently, I was at a training session with VSO Curt Cannon and Jen Conklin regarding our positions and new updates. The National Association of County Veterans Service Officers was extremely beneficial, and their big push was the PACT Act, healthcare, and making sure veterans know what they're eligible for after service.

Post-9/11 combat veterans who served between 2001 and 2013 have until Sept. 30 to enroll in Department of Veterans Affairs health care. The date will conclude a one-year "special enrollment period" provided by the PACT Act. This provision of the PACT Act took effect in 2022. The Act's full name is Sergeant First Class Heath Robinson Honoring Our Promise to Address Comprehensive Toxics. It gave the potential to receive compensation to millions of veterans or their survivors who were exposed to radiation and toxic chemicals while in uniform, going back to the 1960s.

How to Apply for VA Health Care

Veterans may apply for VA health care:

Online at <https://www.va.gov/health-care/apply/application/introduction>

By calling Curt Cannon or Christopher Deery

By mail. Send VA Form 10-10EZ to Health Eligibility Center, 2957 Clairmont Road, Suite 200, Atlanta, GA 30329.

In person at your local VSO office.

Please call Curt Cannon or myself to set up an appointment for a file review. There are many new opportunities for veterans, and with the PACT Act, this opens many appeals and claims for veterans that may not have been eligible in the past. Also, since the Act was enabled last August, over 500,000 claims have been filed, with payments being received by veterans and their families totaling over 1 billion dollars. The director of the National Cemetery was present and spoke to us about the last benefit a veteran would receive which is a proper burial. Only 22% of veterans are using this service. Please come see Curt or I to make arrangements or meet with your local funeral home. Make sure your loved ones know where your DD214 is to begin that process. Veterans only need 1 day of service prior to Sept. 7, 1980. After this date, veterans must have had 24 months of active duty or served the full period of which you were called upon.

Please have a safe holiday and enjoy it. Thank you to all veterans and heroes who fought for our freedoms and continue to do so at home or abroad.

Chris Deery, Cass County VSO

Starting in July you will start receiving from National the 2024 membership renewal reminders.

You can either send in your dues via the USPS or the Online Renewals for 2024 will be available July 1. This is the fastest way to get your 2024 Membership renewed. Go to www.legion.org/renew and just follow the instructions. Once you renew online, the Post is notified the next day and I'll have your 2023 Membership card in the mail.

Renew on or before November 11, 2023 (Veteran's Day) and be an "EARLY BIRD". This distinction will be stamped on your membership card. Display the card to one of our friendly bartenders and receive one complimentary beverage from our club.

If you have any questions as always, please feel free to give me a call.
